成人学位英语考试作文 篇 1

The Importance of Self-confidence Self-confidence is very important to our life.As a wise man once said, "If you have no confidence in yourself, you are twice defeated in the race of life.With confidence, you have won even before you have started."

If you are full of self-confidence, your creativeness, your enthusiasm will all be aroused, and you will overcome difficulties.As a result, your dreams will come true.On the contrary, if you have no confidence in yourself, there is little possibility that you would ever achieve anything.Failure will be following you.But self-confidence comes only when you know yourself.You should know both your weaknesses and strengths.Only after this can you be well in doing great things.

Try something you' ve never done before.Just taking on a challenge, whether you succeed or not, can increase your confidence.In a word, self-confidence is greatly important to our success.

Good Study Habits Study habits play a decisive role in the effect of learning. It is, therefore, important that we should form a good habit when we study.

According to study advisers, there are some basic ways for learning well. Frequent revision, for example, is one of them. It is not a quick way of learning well, of course, however, it does

prove effective in the long run. Also, to do enough preparations before class helps a lot.

Besides, there is another way of learning, that is, learning through communicating. Learning will be more efficient if you put what you have learned or are learning into practice. That's why in recent years "Communicative Method" has been strongly recommended in schools in China.

Here you can look for whatever information you want; you can browse the latest news at home and abroad; you can chat with friends, do your shopping, watch movies, play games, send e-mails and so on. You can do almost everything in this variable world. In the 21st century, people have been and will be more accustomed to Internet. 成人学位英语考试作文 篇 4

As the saying goes, "A friend in need is a friend indeed." Friendship does not depend on how many friends you have, but on how much sincerity your friends can offer. Most of the people we share social associations with are, as a matter of fact, merely acquaintances. True friendship involves mutual understanding and mutual support, both in moments of success and on occasions of failure. A true friend is one who not only shares your happiness, but your sorrow and responsibilities as well.

True friendship is always established on mutual devotion, just as love is. Only in this way can you find that your friends will never let you down, and that your friendship can last forever.

Is a Test of Spoken English Necessary In many kinds of English tests such as CET (College English Test), TEM (Test for English majors), etc. a test of spoken English will be optional. Some people consider that it is unquestionably necessary to hold a test of spoken English in China because spoken English is as important as written English. Both of them are effective communication ways for English speakers. But sometimes even those top students who are good at grammar and writing skills find that it is difficult to express their thoughts freely when speaking. A test of spoken English will make students attach more importance to oral English, and thus help them with their communicating skills.

On the other hand, there are also people who hold that good reading, writing and translating skills would be enough for the average English learners. College students are already under great pressure from their study. Another required test will be a burden to them.

In my opinion, I believe that a test of spoken English will do more good than harm. And I shall make all my efforts to practice and improve my spoken English

成人学位英语考试作文 篇 6

A dream is to a man what wings are to a bird. With a dream in the deep heart's core, a man is spontaneously driven to hitch his wagon to a star. A dream is an inexhaustible source of energy that keeps our enthusiasm burning, and kindles our desire to enhance our spiritual cultivation, refine our character,

and upgrade our quality of life. A life without a dream is like a bird with broken wings, confined to a cage and oblivious of what lies beyond the range of its vision. On the contrary, a man with a dream is like a warrior armed with ambition, foresight and gallantry, daring to step into an unknown domain to make a journey of adventure. It is dream that adds fullness, variety, and spice to our life and makes it worth living.

I have a dream. It is a dream that is deeply rooted in human nature. I dream that one day people of all origins can live in harmony and peace without being discriminated against or persecuted. The bounty of the earth can be shared by every single human being. Mutual respect will guarantee the existence and continuation of the diversity of customs and cultures. Love, sympathy, and cooperation will alleviate the sufferings and disasters inflicted upon our fellow men. Respect for basic human rights will put an end to social injustices and evils.

成人学位英语考试作文 篇 9

Nowadays the computer is becoming more and more important in our life. Wow, you could say that the computer is very common all over the world. However, everything has two sides, a good side and a bad side. First, the good side. Networks save a lot of time when we want to communicate with the outside world. Also we can send emails to our friends by network. I think this is a good way for somebody who doesn't like writing letters to others on paper. We can also know the latest international news and other information. We can find them on the net if we need some pictures and articles for our work, study or everyday life. Almost everything can be found on the net. Therefore, it could be said that network is playing a greater and greater part in our modern life. Now, let's talk about the bad side. Take ICQ for example. Now, a lot of young people like network. But most of them go for the ICQ. When they use the ICQ, they don't use their real names and don't talk about meaningful things, like their work or study. They

spend hours talking about meaningless things, which has bad influence on their work or study. Sooner or later, they might not like talking with others at school and at home. The Internet has two sides. You will just have to find a good way of using it.

Chinese Buddhist temples are never single buildings. They always consist of a group buildings following a fundamental pattern, which can, however, be modified. The main buildings and their symmetrically corresponding secondary buildings form individual groups and courtyards. The entire temple complex is spacious. The buildings inside the complex are usually single-storied and the main halls are sometimes decorated with a double roof. The towers, pavilions and halls can be multi-storied structures.

The Chinese temple complex has been subject to great structural changes throughout the centuries. But temple architects follow the basic principles of secular structures from the Tang Dynasty onwards. The complexes stand on a central axis, usually a north-south axis: east-west only as an exception. (Guiyuan Temple is just the very exception.) The main buildings are strung along this central axis, their broadest sides facing south or east.

The most important and most frequently presented building inside a Buddhist temple complex are the main entrance gate, the bell and drum towers, the Hall of the Heavenly Kings, the Hall of the Buddha and a pagoda.

Buddhism is said to be founded in India in the 6th century BC by Siddhata Gautama (BC565 < >

成人学位英语考试作文 篇 11

Recently, every morning when I wake up, I find my air-

conditioner automatically turned off. I didn't understand why at first, but soon I learned that there is a great shortage of electricity supply in our city. My air-conditioner turned off because of a power failure at midnight.

With the rapidly developing industry and the ever increasing population, demand for electricity supply is soaring. Besides, summers in recent years are much hotter than before, so most working places and households are air-conditioned, which consumes additional electricity.

Faced with such a hard nut, we have to find ways to crack it. Above all, in western areas of China, there is surplus of electricity supply. So, cities that are thirsty for electricity may ask for remote help. Then, when we have electricity, we should remember to save it. Set your air-conditioners at 27°C and you won't feel less comfortable than when they are at 26°C. In fact, some factories already shift their working hours to avoid the peak time of electricity-consuming. My parents don't work from Monday through Friday as before; they work from Sunday through Thursday and have/take the following two days off instead. This is also a way out, isn't it?

Autumn in Countryside

It gradually turns cool. The sunlight is no longer so strong and the cicadas have stopped crying. The hot summer went by at last. The favorite season in the year is coming.

Everywhere we can see the scene of bumper crops: on the fields is golden rice, on the trees are ripe fruits. The farmers' faces are full of smiles. They are now expecting a good harvest through a summer's hard work.

The autumn evening is especially beautiful. When the setting sun goes slowly down to the west, the sky over the mountains is covered with red rays of evening sunlight, which shines upon the blue sky and floating clouds, just as the maple leaves fall onto the sky.

It is getting cool at dusk. The wind blows, the moonlight shines on the ground, the frogs croak and insects chirp in the fields. Such a situation will make you forget all the unhappy things in the daytime.

I love the beautiful season.

乡村的秋季

天气渐渐变冷了，阳光也不那样强烈，蝉也停止了鸣叫，炎热的夏季终于过去了。一年之中大家最青睐的季节已经到来。

到处都可以看到一派丰收的景象：田野里是金黄的水稻，树枝上挂满成熟的果实，农民的脸上洋溢着微笑。经过一个夏季的辛勤劳作，他们都期望有一个好收成。

秋季的夜晚格外美丽，当夕阳从西方缓缓落下时，山顶上方的天空布满了红色的霞，宛如枫叶飘上了天空。

黄昏时分，天气愈来愈凉爽，微风轻拂，月光轻洒在地面上。青蛙呱呱的叫声，和田间昆虫唧唧之声混合在一起。置身于这样的环境之中，会使你忘却白日里的所有不快。

我喜爱这个美丽的季节。

成人学位英语考试作文 篇 16

One of my friends with me went to Xiamen in September before the beginning of this term. We spent 5 days there and slept for 4 nights. Personally, I don't think that it is a wonderful trip. For me, I spent all of my money which was partially saved from my part-time job during the summer vacation and partially from my parents but found that it was a really tiring trip. Maybe it was out of my personality.

We visited Xiamen University, Gulangyu Island, Riyuegu Hotspring, Zengcuoan, Hulishan Fort, Nanputuo temple, Xiamen Museum, Zhongshan Road and so on. The schedule was so full within this five hot days that my feeling of tiredness far surpassed my enjoyment. But one thing moved me. The air there was fresher than here in Xiasha though above their city floated a layer of haze. I was afraid that one day Xiamen would took the same step as Hangzhou and no blue sky left anymore. So we have to took our environmental problem seriously.

Out of the thought that "Adults should go out to see the outside," I agreed this travel to Xiamen. After this travel, however, I found that I didn't belong to the travel-loving group. Comparing with travelling around, I preferred staying at home more. Thus, I would take my next travel pretty seriously.

The first time in life? Then grasp your chance with your perfect performance on the dating night, by learning the following principle in heart.

Dress properly. While everyone wants to give an impressive debut on the first date, you should avoid wearing something too bizarre to be accepted. If you are still in school, a

sportswear can fulfill your purpose. For businessman or grownups, casual clothes are recommended. Never put up your working uniforms, no matter how well you

like that Armani suit. It is no work. A few accessories such as a pair of sunglasses or silver loops on the wrist can add up to the romance sphere.

Take a bath before dating. And if you like, spray a little perfume, but unless you 're sure that he or she likes the smell, don 't use ones that are too strong.

Watch your manner. You 're no prince of the Scotland nor Cinderella in the legend. Proper manners will ensure a

lasting relationship while bad ones scare away your sweetheart. And do make sure you do not boast about your fortune, for, not everyone are green addicts. And your way of smiling, or your greatesoath, should neither be "coy" nor "by St. Loy!" after the nun in Chaucer.

Be a little sensitive than merely innocent. Do make sure you do not intrude his or her privacy on the first date. For

I think, after watching the Tour Olympics, it is not Yao Ming, Cheng Long, Zhang Ziyi, Schwarzenegger, etc., but the performance of the intellectual person: full of fighting, firm and hope. Their simple eyes, firm beliefs, naturally distorted, but still smile, no deep shocking. Just like the host said: You are a single-wing angel, let us hug each other and fly together. Life gives the very little wisdom, but they can open the heart lock, use their own efforts, the miracle written by the struggle? What should we do? In life, we are always angry, complaining why there is no parent of the boss, why there is no star beautiful or handsome look, why don't be a smart mind like Einstein.

However, dear friends, have you forgotten? You have the full body given by God, you are not discouraged, and there is also the right to sleep in your mother. These, aren't it? Think about it, those who want to talk about it, what do they want to talk about? But they didn't give up, but bravely used sweat to make up for the shortness of the hardships. A drop of dew can reflect the brilliance of the sun, a sand contain a colorful world, why bother to come with himself, the key is in your heart, thrown away, the troubles thrown away, you will find it, how is life? Beautiful.

Anyone cant avoid taking responsibilities when he is alive. By taking responsibilities, we can be more and more capable. Without responsibilities, we cant live a qualified life.

只要活着，没有人都能避免承担责任。通过承担责任，我们会越来越多有能力。没有责任，我们无法过标注的生活。

As far as Im concerned, responsibilities include three aspects in our life: First, we must work hard. If were not diligent, we can neither support ourselves nor achieve our goals. Second, we must take care of our parents, since they have brought us up. We must pay back the love to them. If we dont treat our parents well, maybe well be abandoned by our children when were old. Third, we must keep on learning, because our life is an infinite book. Were always reading at the first page of this book. If we dont go on learning, we cant keep pace with the times.

我认为在我们的生活中责任包括三方面：第一，我们必须努力工作。如果我们不努力，我们既不能养活自己也无法达到我们的目标。第二，我们必须孝顺父母，因为是他们把我们抚养大的。我们必须用爱来回报他们。如果我们不好好对待我们的父母，也许等我们年老的时候我们会被我们的孩子抛弃。第三，我们必须不断学习，因为我们

的生命是一本无穷无尽的书。我们总是阅读书的第一页。如果我们不去学习，我们就不能跟上时代的步伐。

These are my opinions that I will act as I say. I believe my life will be more colorful if I do my best to fulfill my responsibilities.

这些是我的想法，而我也会按我说的去做。我相信如果我尽力履行我的职责，我的生活会更加丰富多彩的

成人学位英语考试作文 篇 22

As we all know, lately the National People's Congress has

passed several significant proposals, including the new festivals and holidays policies. Three-day holiday is going to take place of 'Golden Week', which has been written into our latest Labour law.

Instinct attitudes have been proclaimed by different people. The ones who support this new measurement argue that, short-holiday not only is capable of effectively mitigating the transporting and environment pressures caused by heavy tourism industry, but also allows us to celebrate the traditional May Day. However, opposites do not agree with it. In their opinions, only by long-holiday could grant the employees and workers to be provided with sufficient opportunities to relax and rest. What is worse, sum of potential profits, particularly the tourism margins would lost by implementing this legislation.

As to me, this new regulation is acceptable on the whole. On the one hand, we college students still can enjoy our holidays with our families and friends. On the other hand, compared with a whole week holidays, short rest would probably allow us to return to our studies and business more efficiently.

一双尖尖的耳朵长在头上，明亮的眼睛在夜里像闪闪发光的珍珠。这就是我们熟悉的动物——小猫。

A pair of sharp ears on the head, bright eyes in the night like sparkling pearls. This is the familiar animal - kitten.

我们大概知道猫的胡子用来钻洞时捉老鼠的“卡尺”吧！其实，胡子碰到洞口说明洞太小。反之，猫就可以钻进洞里。

We probably know that the cat's beard is used as a "caliper" to catch mice when drilling holes! In fact, when the beard touches the hole, it means the hole is too small. On the contrary, the cat can get into the hole.

有一次，我惊奇地发现一只橙白相见的猫用锋利的爪子抓住可恶的老鼠。只见猫把老鼠摔得半死半活，然后才大口大口地吃起来。吃完了，抖了抖自己的胡子又等着新的战斗。这就让我想起了《小学生百科全书》里说为什么猫走路时没声音，原来是猫脚离地最近的地方有一块软肉啊！现在，我对猫的科学知识了解得更多了。

Once, I was surprised to find that an orange white cat caught the hateful mouse with its sharp claws. The cat fell half dead and half alive on the mouse, and then ate it. After eating, shaking his beard and waiting for a new fight. This reminds me of "Encyclopedia of primary school students" that why the cat does not sound when walking, it turns out that there is a piece of soft meat where the cat's feet are closest to the ground! Now, I know more about the science of cats.

猫总会“喵、喵”地叫。我想：夜晚叫的话猫就捉不了老鼠了。

Cats always meow, meow. I think the cat can't catch the mouse if it barks at night.

有一天，太阳火红火红的，大地被烤得金光闪闪，谁都不敢碰一下地面。在这个大热天，动物小学却偏偏去春游。

One day, the sun was red and the earth was golden. No one dared touch the ground. In this hot day, the animal primary school is going to spring outing.

在去的路上，几条小鳄鱼一直看着小动物们，非常羡慕，悄悄地跟在后面。走啊走啊，小动物们的脸都变红了，豆大的汗珠往下淌。它们一个个用高八度的声音喊：“救命呀，我热死了，我的脚酸得在抖了！”

On the way to, a few alligators have been looking at the small animals, very envious, quietly following behind. Go, go, the faces of the little animals are red, and the beads of sweat big as beans are dripping down. One by one, they shouted in a

high octave voice, "help me, I'm so hot, my feet are shaking!"

突然，走出一条鳄鱼，它的皮有点硬，有点凉，它的皮肤是绿的，可爱极了。它亲切地说：“嗨，我叫小帅。你们走累了吧？那到我的背上休息一下吧？”小动物们听了，迫不及待地爬上去，还躺了一下。哇，真舒服！

Suddenly, out of a crocodile, its skin is a little hard, a little cold, its skin is green, lovely. It said kindly, "Hi, my name is Xiaoshuai. Are you tired of walking? Why don't you rest on my back Hearing this, the animals couldn't wait to climb up and lie down. Wow, how comfortable!

虽然天气很热，可小动物们还是玩得很开心，因为有可爱的小帅陪着它们。

Although the weather is very hot, the little animals still have a good time, because they are accompanied by a lovely little handsome.

成人学位英语考试作文 篇 25

今天早上起来，发现不知什么时候，外面下起了白茫茫的大雾，大地好像浸在一个梦幻世界里。

When I woke up this morning, I found that there was a white fog outside. The earth seemed to be immersed in a dream world.

我走出家门，仿佛走进了云朵里，四周的花草树木好像披上了白纱衣，所有的景物都看不清楚了，像隔了厚厚的一层磨砂玻璃。

I walked out of the house as if I had walked into the clouds. The flowers, plants and trees around me seemed to be covered with white gauze clothes. All the sceneries could not be seen clearly, like a thick layer of frosted glass.

我慢慢的走着，因为我只能分辨得出前面不远的路。我发现街上的汽车也都开的很慢很慢，我想司机叔叔也一定和我一样，他们也要保证开车安全第一。世界好像也跟着慢了下来。

I walk slowly, because I can only distinguish the road not far ahead. I found that the cars on the street are also very slow, I think the driver uncle must be the same as me, and they also need to ensure driving safety first. The world seems to slow down.

不知过了多久，大雾终于慢慢的散了，世界变得清晰了，花草树木绽放出了美丽的笑容，车辆也恢复了正常的速度，街上又重新热闹起来了。

I don't know how long, the fog finally slowly dispersed, the world became clear, flowers and trees bloomed a beautiful smile, the vehicle also returned to normal speed, the street was bustling again.

我愉悦的看着这一切，不禁感叹大自然真神奇啊！

I look at all these joyfully, can't help but sigh that nature is really magical!

咚咚咚，这是谁呀？小猪打开门一看，原来是小牛。小牛问：“小猪，你可以让我进来躲雨吗？”小猪答到：“当然可以了，我们都是好朋友嘛！”说完小牛蹦蹦跳跳的走进了小房子里。

Dong Dong, who is this? Piggy opened the door and saw that it was a calf. "Piggy, can you let me in for shelter?" asked the calf Piggy replied, "of course, we are all good friends!" With that, the calf jumped into the small house.

过了一会儿，长颈鹿也来了。它对小猪说：“你能让我进来躲雨吗？”小猪点了点头答应了。

After a while, giraffes came. He said to the pig, "can you let

me in for shelter?" Piggy nodded and agreed.

可是长颈鹿太高了，小猪的'房子'又太矮了，长颈鹿根本进不去。长颈鹿把头 and 脖子晾在了外面，小猪和小牛想：长颈鹿这样淋雨一定很不舒服。于是它们就和长颈鹿一起想办法，突然小牛想起自己刚来时的帽子，长颈鹿戴上就淋不着雨了。

But the giraffe is too high, the house of the piggy is too short, and the giraffe can't go in at all. The giraffe's head and neck were hanging out. The pig and the calf thought: it must be uncomfortable for the giraffe to rain like this. So they and giraffe together to find a way, suddenly the calf thought of his first hat, giraffe put on it will not rain.

于是小牛把帽子递给长颈鹿，长颈鹿戴上刚好合适，长颈鹿的脸上绽开了笑容！

So the calf handed the hat to the giraffe, and the giraffe put it on just right, and the giraffe's face burst into a smile!

有一天，小明要坐公共汽车去外婆家，他一上车，就坐到了位置，可算是幸运了，不一会儿，上来了一位白发苍苍的老奶奶，小明想：

“要是让座的话，我就没位子了，可要是不让的话，又觉得不是个好孩子。以前总听老师说，尊老爱幼是我们中华民族的传统美德，我想也是我们当代小学生应该做的吧！”于是小明对老奶奶说：“老奶奶，您坐这儿吧！”老奶奶笑着说：“谢谢你，小朋友。”这时，售票员、司机、车上的叔叔阿姨都投来了赞许的目光。

One day, Xiao Ming was going to take a bus to grandma's house. As soon as he got on the bus, he got into the seat. Fortunately, in a short time, a white haired grandmother came up. Xiao Ming thought, "if I give up my seat, I will have no seat, but if I don't, I don't think I'm a good child. In the past, I always heard that respecting the old and loving the young are the traditional virtues of our Chinese nation. I think it is also what

our contemporary primary school students should do! " So Xiaoming said to grandma, "grandma, please sit here." Grandma smiled and said, "thank you, little friend." At this time, the conductor, the driver, the uncle and aunt in the car all cast approbation.

小明到了外婆家，把这件事告诉了外婆，外婆也说小明做得很对，小明心里乐开了花。

Xiaoming went to grandma's house and told Grandma about it. Grandma also said that Xiaoming was right. Xiaoming was happy.

小明真是个好孩子，我们也要像小明学习哦！

Xiao Ming is such a good boy. We should learn like Xiao Ming!

我盼望已久的春节到了。

The long-awaited Spring Festival has arrived.

你想知道春节是怎么过的吗？我给你们介绍介绍吧！腊月二十四是小年，小年那天晚上要扫尘。为什么要扫尘呢？因为要除旧迎新。

Do you want to know how the Spring Festival is celebrated? Let me introduce you! The 24th day of the 12th lunar month is the year of the year. The year of the year will sweep the dust that night. Why sweep the dust? Because we need to get rid of the old and welcome the new.

最热闹的是年三十晚上，大年三十要吃团年饭。南方要吃年糕叫年年高升；北方要吃饺子。饺子的形状像元宝。

The most lively one is the evening of the new year's Eve. We have a reunion dinner on the new year's Eve. To eat rice cakes in the south is called annual rise; to eat dumplings in the north. Dumplings are shaped like Yuanbao.

我们吃饭的桌上肯定有两种特别的菜，这两种菜分别是鱼和圆子。

为什么要吃这两种菜呢？因为年年有余、团团圆圆嘛。

There must be two special dishes on our table. They are fish and ball. Why eat these two kinds of vegetables? It's because there's more than one year, and it's round.

团年饭后，要贴春联、放鞭炮、挂红灯笼。第二天就要出去拜年了。

After the Spring Festival, Spring Festival couplets, firecrackers and red lanterns should be pasted. The next day we are going to go out to celebrate the new year.

欢快的春节过去了，我多么希望春节能留下来啊！

The happy Spring Festival has passed. How I wish the Spring Festival could stay!

今天，我和妈妈去了菜市场。菜市场里的东西真多，有鸡、鸽子、鱼类、蔬菜.....鸡当中数麻鸡最好看，鸽子当中白鸽最美丽，鱼类嘛，还是鲈鱼最可爱。

Today, my mother and I went to the market. There are so many things in the vegetable market, including chickens, pigeons, fish, vegetables. Among the chickens, it's the best to see a few grouse. Among the pigeons, the dove is the most beautiful. As for the fish, it's the bass.

我和妈妈买下了一条鲈鱼，就急匆匆地赶回了家，因为我担心鲈鱼缺水死掉。回到家，我赶紧把鲈鱼放进有水的脸盆里，还好，我的鲈鱼还是活蹦乱跳的！

My mother and I bought a bass and hurried back home because I was afraid that the bass would die of water shortage. Back home, I quickly put the bass into the basin with water. Fortunately, my bass is still alive!

鲈鱼的身子长长的，象个银色的萝卜，它张着厚厚的嘴唇，拼命吸水。一对亮晶晶的小眼睛看着脸盆上的花纹，全身披着细细的鱼鳞，

一条明显的侧线画在鳞片上。小尾巴轻轻地摆动着，控制着它在水中的方向。从它的尾巴看，它好象是一条雌鱼，而且很懒惰，我看它是要产鱼卵了吧！

Bass's body is long, like a silver radish. It has thick lips and tries to absorb water. A pair of bright little eyes look at the patterns on the basin, and the whole body is covered with fine scales. A clear side line is drawn on the scales. The little tail swayed gently, controlling its direction in the water. From its tail, it seems to be a female fish, and very lazy, I think it is about to spawn it!

今天我去实验小学报名并参加面试了，一开始还真有点紧张，但等我进去，看到老师们可亲的笑脸，我就一点也不紧张了。

Today, I went to the experimental primary school to sign up for an interview. At first, I was a little nervous. But when I went in and saw the teachers' amiable smile, I was not nervous at all.

我的个子太高了，老师问我怎么长得这么高，我说了，我从来不挑食；老师问我最喜欢吃什麼，我说我最喜欢吃肉。听了我的回答，老师笑了！回来说给妈妈听，妈妈也笑了！

My height is too high. The teacher asked me how I grow so tall. I said I never pick food. The teacher asked me what I like best. I said I like meat best. Listen to my answer, the teacher smiled! Come back and tell mom. Mom laughs too!

后来老师又问我一些关于拼音认读和数学上的问题，我全都作了回答，并且还分清了老师问的上下前后左右呢！

Later, the teacher asked me some questions about Pinyin recognition and mathematics, and I answered them all, and I also distinguished the top and bottom of the teacher's questions!

最后，老师摸着我的头说，小朋友，你以后就到我们班，我给你

当班长好吗？我好开心地答到：好！

Finally, the teacher touched my head and said, little friend, you will come to our class later. Shall I be your monitor? I am so happy to answer: good!

在和老师们说再见后，我高兴地离开了！想着老师的笑脸，我对我就要进入一年级充满了信心！

After saying goodbye to the teachers, I left happily! Thinking of the smiling face of the teacher, I am confident that I will enter the first grade!
